

# P1/2's Final Newsletter

Welcome to the final newsletter from P1/2 in 2021/22. We have had a brilliant and busy year which has been filled with hard work and fun. Here are some of our highlights!

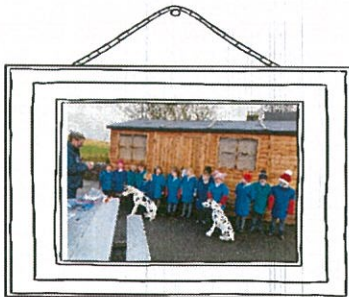

## Mugdock Visits

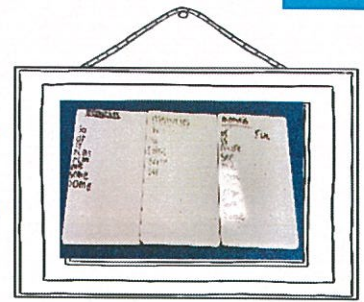

We have walked, built dens, learned about fractions and symmetry, made musical sound pictures, followed directions and made a giant human clock. We explored the castle and stopped there for snack. However, perhaps the highlight of every visit was the trip to the play park!

## Class Topics

We loved our Caring for Our Pet topic and made pet collages for the wall, had a visit from a real vet and brought in photos of our own pets for the class display. When we learned about Crannogs we made our own using card, wool and string. When we learnt about Food and Farming we made our own Farm display - we even painted with our feet! We visited a farm and saw lots of animals but our favourites were definitely the piglets.

**M**emories of P1/2 include:

**E**arth day activities, topic displays

**M**aking carrot muffins, potato salad and wedges

**O**rdering numbers to 100

**R**ights Respecting School

**I**n and out of the bus to Mugdock

**E**njoying swimming and athletics

**S**afari Park was a great way to end our year!

We hope you have enjoyed reading about our adventures this year. We have had a great year in P1/2 and hope that next year will be even better!
