

P1/2 Newsletter

Welcome to the P1/2 Newsletter. This term we have been very busy. We have, as a class, done lots of exciting things with reading. Have a look at some of our activities and photos.

Our class Library

P1/2 have a new library which has different sections for each group. We have a non-fiction section which has books about your body, space, animals and insects.

Reading recommendations

P1/2 have been enjoying recommending books to each other and we have been using post it notes to suggest books to our friends. When we think our friend would like a book we put a post it note in their cup.

Outdoor reading

World Book Day

On 3rd March the boys and girls in our school dressed up as their favourite character from a book. There were some fabulous costumes in P1/2. We heard the story of The Gingerbread Man and then made some crunchy and delicious biscuits.

Our class story

We look forward to sharing some more of our news from P1/2 in our next newsletter.
